PAYMENT DATES

For your financial convenience, video packages are to be paid in two installments:

- Half of the cost is due at the time of signing.
- Remaining balance, due upon delivery of final product.

Deposit is fully refundable, minus a 75 dollar cancelation fee, until one week prior to the wedding.

EDITS

Within a months' time you will receive a first edit of the video. You are given one round of edits. If you request any more changes you will be charged \$15.00 dollars for every hour I spend putting the changes into effect.

DELIVERY OF FINAL PRODUCT

Depending on the video package you choose, I will either hand deliver the final product, mail it, or

digitally transfer it, by the agreed upon date. Prior to this, I will submit proof materials for your approval.

RIGHT TO SHOWCASE

I'm proud of my work, and I need the ability to showcase it to acquire new business. You and I share rights to the final video product - rights to copy, edit, display and share it.

UNFORESEEN CIRCUMSTANCES

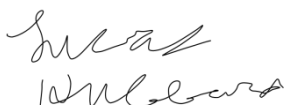

Blue Cow Productions will not be held liable for any production problems beyond our control, e.g. bad weather, poor acoustics/lighting, interference from guests, etc.

In the unlikely circumstance that my video or data storage equipment fails and I lose the ability to complete your final product, I will refund all money paid, but I cannot be held liable for additional damages. (This has never happened.)

YOUR RESPONSIBILITIES

- Prompt payment and communication to ensure no interruption in the production process.
- If I'm filming your reception, please provide my assistant and me a seat at dinner.
- It is the client's responsibility to secure access to areas for videography. Blue Cow Productions will not be responsible for coverage lost due to access restrictions.
